

EXCELLENCE
IN SERVICE BY
EXPERTS
IN CARE

“Enjoy the comfort & benefits associated with private healthcare, with the reassurance and clinical support of a modern NHS hospital.”

Mr Dickenson, Consultant Surgeon

WELCOME

Derby Private Health provides exceptional standards of personalised care, ensuring you receive the best possible service, in the safest possible environment.

Expertise & Facilities

Patients enjoy the comfort and benefits associated with private healthcare, delivered by many of the region's finest specialists, together with the reassurance and clinical support of a large, modern NHS hospital.

Derby Private Health is provided by Derby Hospitals NHS Foundation Trust which means all profits are invested into NHS services, improving healthcare for everyone.

Service & Experience

As well as outstanding clinical care, you can also expect exceptional service in our new dedicated private suite. From your initial enquiry and consultation, to your treatment and recovery, your needs are our priority.

Our dedicated team is committed to your wellbeing and will be with you every step of the way.

Safety & Quality

As a private patient you will have access to the latest treatments and technologies offered within the Royal Derby Hospital.

With the consultant of your choice, you will be cared for with the support of modern on-site facilities such as intensive care, high dependency and pathology labs - you'll know you're in safe hands.

“First class
nursing care in an
extremely friendly
environment.”

OUR PRIVATE SUITE

The most modern private facilities in the East Midlands.

As well as receiving outstanding clinical care, private patients who stay overnight with us also enjoy hotel-style services in our new dedicated private suite.

We provide stylish en-suite rooms, with free wifi, minimal waiting times, unrestricted visiting hours, delicious meals and most importantly, the confidence that you are in safe hands.

Our aim is to be your first choice for private healthcare in Derbyshire.

Private patients benefit from:

- Choice of consultant
- Prompt treatment
- Dedicated private facilities
- Modern en-suite rooms
- Dedicated experienced nursing team
- Support from an extensive & specialist team
- Access to treatments not available to NHS patients
- Convenient access & complimentary parking

To ensure the best possible care, patients who require specialised services or procedures may be treated in other areas of the Royal Derby Hospital.

PAYMENT & INSURANCE

With you every step of the way, Derby Private Health is open to everyone, offering competitively priced healthcare.

Private Medical Insurance

If you are covered by private medical insurance, it's important to contact us before your treatment starts to confirm that we recognise your particular insurer. You should also contact your insurer to confirm that you have enough cover to pay for the treatment and consultations that you need.

You must obtain pre-authorisation from your insurance company who will advise you of any shortfalls in your cover and provide you with an authorisation number which should be given to our Private Patient Team.

Self-paying Patients

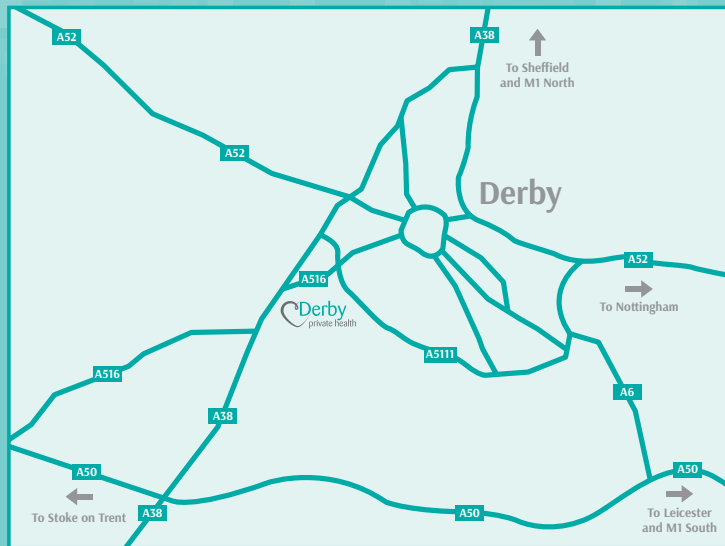

Many people are now choosing to pay for their own private healthcare if they don't have insurance and most find that it is more affordable than they expected.

We welcome patients who wish to pay for their own treatment and our Private Patient Team will be happy to provide you with the approximate cost for your intended procedure.

To view our full list of consultants, treatments and referral information please visit our website: www.derbyprivatehealth.co.uk

If you would like an indication of the likely cost of your treatment please contact us, telephone [01332 785200](tel:01332785200).
